Hi Don,

Angela was out of the office for the last few days. I am giving her some time to get to her emails and talk to her bosses, who I also emailed. I don't have more information for your meeting tonight, unfortunately.

It was a pleasure to meet with you guys last week. Thank you very much for the time and effort you devoted to the WTC BID and resolving the trash enclosure issues we discussed.

We have our regular Board meeting tomorrow and I'm certain to be asked if you have been able to make any progress. Can you tell me where you are at this time?
